

Support Amani Community Services and help us end financial abuse

WHO

Please allow me to introduce Amani Community Services. Amani Community Services is a domestic violence and sexual assault agency providing innovative culturally specific services to African American clients in Black Hawk and Linn Counties. Amani provides counseling, outreach services, personal advocacy, legal advocacy, children's programming, information and referrals. Since opening our doors in 2014, Amani provided services to over 350 clients.

WHAT

- Allstate Foundation's Purple Purse Challenge is a national challenge where charities benefiting domestic violence survivors compete to raise the most money.
 - The top 7 organizations that raise the most money will be awarded additional cash prizes up to \$100,000 grand prize from The Allstate Foundation.
 - This is a great way for Amani Community Services to gain public awareness about financial abuse and raise lots of money for survivors of domestic violence.
